

## Behaviour Expectations with Covid – 19

### Staff, Student and Parent Agreement:

- I will wash my hands when I arrive at school, after break times, before I eat my lunch, when I have been to the toilet and when I am leaving school or at any other time that I am asked to during the day. If I do not wash my hands, I will be sent home from school. (This is the main defence against Covid-19, soap will be provided.)
- I will look after my own pencil case which will stay at school and not share my equipment with my classmates.
- I will only bring essential equipment, not toys to school.
- I will work with staff to understand my day so that I can access learning safely.
- I will speak to the staff when I do not understand something.
- I will ask for help when I need it.
- I will walk to the reflection room if I am directed to. (Staff will hold children if it is necessary)
- My temperature will be taken when I arrive at school, if it is raised, I will be collected from school by those who care for me and they will be asked to book a Covid 19 test.
- If I spit at or cough at staff deliberately, I will be sent home.
- If I become physically aggressive, I will be sent home.
- If I punch, hit, kick or spit, I will be sent home.
- If I persistently need to be held or I spit and cough deliberately then my risk assessment will be updated and my place at school may be jeopardised.
