Year 9b

Mr Kloda
Mrs Schwab

September 2022

Expectations for Year 9.

As we start preparing the students for their GCSEs over the next two years they will now have specialist teachers who will teach in the students classroom, covering English, Maths, Science, ICT, RSHE, PE, DT and Art.

For Design Technology we will be utilising our other RSS site and learning word work skills in addition to disassembling scrap in order to assemble a robot, giving the students an opportunity to use tools such as hammers, screwdrivers and saws.

PE will be on a Wednesday afternoon and we encourage the students to bring a pair of trainers and a change of clothes to practice good hygiene.

English:

Students are beginning to prepare for their English Literature GCSE by studying the text *A Christmas Carol* and looking at what life was like during this time.

Maths:

The students will be consolidating algebra skills including balancing equations and plotting co-ordinates on graphs.

Year 9b Timetable

Day	TUTOR	1	2	BREAK	3	LUNCH	4	5	
	8:50-9:35am	9:35-10:25am	10:25-10:15am	11:15-11:30am	11:30-12:20pm	12:20-12:55pm	12:55-1:45pm	1:45-2:35pm	2:35-3pm

Friday	TUTOR MR MR KLODA	ENGLISH MS SUTTON			ONLINE SAFETY		GOLDEN TIME	HOME	TUTOR

Every Thursday **Outdoor Education** will be conducted by Mr Eales. The idea for these sessions is to offer the children opportunities which will push them physically and emotionally. We have a range of challenges involving using tools, building dens and hiking which are team building activities. There are many other activities which will push the pupils in a positive manner. Obviously these sessions will require clothing that will get dirty. *(So no new trainers or tracksuits)*

All of these activities have proved very successful in the past and all staff are expected to participate with the pupils.
